MEDIA RELEASE – QUIZ NIGHT SUCCESS

Spencers Brook's recent quiz night, hosted by the Spencers Brook Progress Association, was a resounding success, raising almost \$1,700 for the community projects and fostering community spirit with a lively and competitive atmosphere.

The quiz night, held on March 14th, 2025, at the Spencers Brook Tavern, saw a strong turnout of teams eager to test their knowledge and enjoy a fun evening in a relaxed outdoor setting.

The event was organised to support the various projects being undertaken in the Spencers Brook area, in particular the restoration and renovation of the historic Station Master's House project.

A Community Consultation Forum was held on April 11th, 2025, at the tavern where locals and the surrounding community explored options for the future use/uses for the Station Master's House. This was the first community consultation dedicated to this exciting project.

The quiz night brought together people of all ages and backgrounds, creating a sense of camaraderie and fostering connections within the community.

The "Secret Seven" team, comprised of local residents, emerged victorious, winning a prize of a dinner for 6 persons voucher for the local Spencer's Brook Tavern.

The committee received great positive feedback, and participants praised the event as a great success, expressing their appreciation for the opportunity to support the local community and enjoy a fun night out.

The committee would like to extend out thanks to our amazing sponsors and prize donors: Lapa Brazilian BBQ, Shire of Northam, Lucy's Tearooms, Everlasting's on Fitzgerald, Northam Florist, Zax & Co, Arise Coffee, Kindred Spirit, CBH Group, Classic IT Support, Spencers Brook Tavern, Flame Consulting Services and donations from committee members; Maria Wiebel-Wilding, Matt & Bernie Letch, Mark Wilding, Jane Rowe and Annie Kavanagh.

The Spencers Brook Progress Association is already planning future events and will include them on the website and through social media channels, to continue fostering community engagement and support local initiatives.

"The quiz master had a clever mix of questions that tested our knowledge. A super evening with happy vibes, lots of good music, happy people and a most generous array of prizes. Thank you to the hard-working organisers who put such effort into this community event. Look forward to more." Ticket Holder PT
